

Do you CARE for someone with Dementia or memory problems?

Crossroads and Birmingham Carers Hub are working in partnership to deliver **FREE** Caring for Carers Dementia Training Sessions specifically for **CARERS** via **ZOOM** video call

There are 5 Topics -

- Dementia Explained
- Behaviour & Carers Tips
- Infection Control
- Eating & Drinking
- End of Life

These topics are designed to help carers, wherever they are on their caring journey. Visit our website for training session dates and times.

Face-to-face training is currently suspended due to the pandemic.
