

Virtual Sickle Cell Information and Awareness Event Thursday 17th June 2021

Organisation for Sickle Cell Relief & Thalassaemia Support (OSCAR) is a voluntary organisation and registered charity primarily to promote greater awareness of Sickle Cell and Thalassaemia disorders and to support individuals affected.

We are a Birmingham based charity providing services arising from complex issues for those affected by this genetic blood disorder.

OSCAR Birmingham will be running an online information and awareness session as part of World Sickle Cell Day 2021.

Details:

Date: Thursday 17th June 2021

Time: 11am-12pm

Where: Zoom

This event is aimed at health and social care, third sector professionals, carers and the wider public who would like to increase their knowledge on:

- Sickle Cell Anaemia
- Prevalence
- Signs, Symptoms and Well-Being
- OSCAR Support Services
- Referral Information for Professionals

To register your place on this event

email: admin@oscarbirmingham.org.uk

A zoom link will be sent nearer the time of the event
