

10 Year Impact Review

Celebrating our Legacy of
Creating Carer Friendly Communities

Who is Forward Carers?

We are an award-winning, not-for-profit, social enterprise that creates Carer Friendly Communities.

Carer Friendly Communities are places that **understand, value and support** unpaid Carers.

We work in partnership with other non-profits to make a difference in...

Adult Wellbeing & Young Carers

Adult Wellbeing & Young Carers

Our values shape everything we do...

Fulfilling Potential

We challenge ourselves to continually innovate so Carers, partners, our staff and communities always fulfil their potential.

Family Centred

We place Carers, families and their networks at the heart of what we do.

Impact Driven

We continually evaluate and improve our services so we can ensure we're delivering the best outcomes for Carers.

Stronger in Partnership

We believe the best outcomes for Carers are achieved by working in partnership to meet the varied needs of our diverse communities.

Socially Responsible

We improve equality for Carers and through our work, we will leave the community and our planet in a better place.

Max card for trips to
enjoy together

“

When there was no Forward Carers before, there was no recognition for Carers, but we've got it now! A big credit goes to Forward Carers.

Neely Darani, Carer Ambassador

”

Forward Carers means a lot to me because they've seen me at my lowest point, they've seen me at my highest point, to me they're like an extended family.

Neil Joesbury, Carer Ambassador

10 Years of Forward Carers:

As a result of our support...

2,606 businesses have been inspired to become Carer Friendly; **22,000** staff work for Carer Friendly employers

We've distributed **£16.5 million** through the VCSE network by funding over **80 organisations** to deliver Carer Friendly support

We've distributed **£1.3 million** in Household Support Fund payments

97% of Carers

rate their experience of our services as good or very good

72% of Carers

feel more positive about their caring role

66% of Carers

feel more confident about their caring role

71% of Carers
